PRODUCT DESCRIPTION

Provide the light you need for your desk with the Avide leather-style, calendar desk lamp. With its simple and minimalist design and leather-style appearance, the lamp combines the modern and the classic; thus it can become a useful and remarkable object in your rooms. The desk lamp with a leather-style appearance and a 5 W output offers adjustable color temperature (cool, warm and neutral white) and boasts a built-in LCD display. The digital clock and calendar on the body of the lamp helps you with your daily work. A thermometer has also been added to this part. Our leather-style lamps are available in brown, white, black and orange colors. The box also includes the AC adapter.

4-step dimming:

Using the touch-sensitive power button, you can set 3 color temperatures by touching it until you reach the desired effect.

LCD display with a calendar, clock, alarm clock, date and temperature function.

The built-in display offers numerous functions. You can choose between a 12 and 24-hour clock display, Celsius or Fahrenheit temperature display, while the calendar function makes it a truly useful tool in the office. The clock and date functions can be set with the 4 buttons at the bottom of the lamp.

Memory:

To preserve the calendar and clock memory of the lamp even in the case of a power outage, the lamp uses a CR2032 button cell battery, which is included in the box as an accessory.
